Sherman Construction Company, Inc.
Mr. Andy Sherman
PO Box 1629
Greenville, SC 29602

Dear Andy:

Upon completion of The Piedmont Club restoration project, I simply could not miss an opportunity to formally express my genuine appreciation on an outstanding job.

You, project superintendent Jim Davis, and all of the Sherman Construction team were able to accomplish what I thought was an impossible task. In just four short weeks you transformed the private dining rooms of The Piedmont Club from tired, old space to beautiful, bright space for our members to enjoy. Not a day passes when one of our members does not comment on how beautiful the Club is since your work.

Thank you and your company for your excellent work and look forward to working with you and your team in January 2009.

Sincerely,

Ron Gillette
General Manager
